Yes. Here it is (distribution chart) along with all the docs that I put together that you might use, in addition to a blue folder, for LE meetings. Let me know if you need anything else. Let me know how it goes. Have you and Nick been able to have a pre-briefing for this meeting?

H,

I am meeting with Philly DEA tomorrow with Nick.

I am digging around for that one page graphic that is from the RiskMap showing the control flow (provided by Jill Connell). Do you have access to copy you can send today?
